A square maze with a single path highlighted in purple. The path starts at the top-left corner and ends at the bottom-right corner. The maze is composed of black lines forming a complex network of paths and dead ends. The highlighted path is the only one that connects the start and end points.

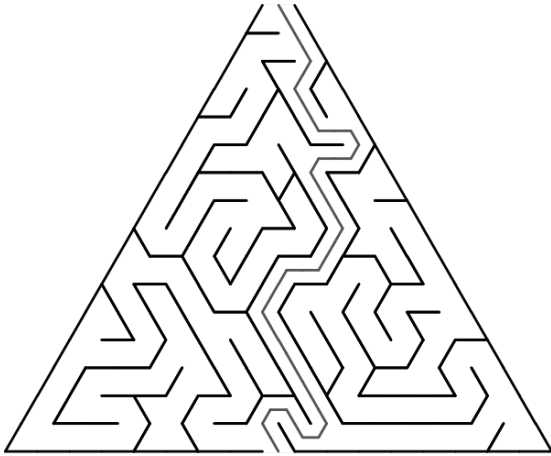

A circular maze with a central circle. The maze is composed of concentric rings of paths and walls. The outermost ring is a continuous wall. The next ring inward has several openings. The paths lead inward, with some branching and some dead ends. The central circle is the goal of the maze.
